That means it was physically removed from the Boston Drug Lab. Once by Sharon Salem our Evidence Office and transported to the Amherst Drug Lab for analysis and the 2<sup>nd</sup> time was when it was returned to the Weymouth PD.

Mr hanchett, quick question for you, if you know the answer. You provided me with the lab packet on a [REDACTED] submitted by the Weymouth pd. There is a reference in the packet in the sample evidence chain of an external location in June, 2012. Could you tell me what that means or where they went, if anywhere? Thanks, adam
